✓ Allergen indicated **CHECK** Exact recipe / marinade / sauce / supplier label must be verified

- The supplied menu states that not all ingredients can be listed and that total absence of allergens cannot be guaranteed.
- Before this chart is treated as the final legal allergen record, the kitchen must verify every recipe and supplier specification.
- Especially verify bread/tortillas, sausages, burger sauces, aioli, tzatziki, bouillabaisse, marinades, gravy/demi-glace, ice-cream flavours and sorbet.
- Keep current supplier allergen specifications with this chart and update it whenever a recipe or supplier changes.
